

D21 Leadership Committee Report - 2018

The Committee is pleased to present the following nominated Candidates. While it is the duty of the District Council to evaluate and vote for the most qualified candidate, the Presidents and VP Educations of each club should be discussing and evaluating candidates in consultation with their club members. Further opportunity to learn about the candidates will be provided at the FREE to attend Candidates Showcase on April 21st 7:30am – 9:00am at the Spring Conference, as well as the Candidates Corner, available on Friday afternoon/evening and Saturday morning. It is NOT the role of the Committee to rank the Candidates. That is the role of the District Council.

All nominees have been verified for eligibility and have signed Officer Release Forms. Interviews have been conducted.

The Committee has made extensive efforts to find potential candidates. Where there are no nominees, it is hoped someone will step forward.
